

With simple, fully automatic controls, Bluetooth connectivity, and a repeat function to keep the music going, the Victrola Automatic turntable makes it easier than ever to experience the non-stop sound of your favorite vinyl records.

FEATURES

- **Fully automatic playback** with intuitive controls and one-touch operation for an effortless listening experience.
- **Continuous repeat function** allows for non-stop enjoyment of your favorite 33 1/3 or 45 rpm vinyl records, ideal for extended listening sessions, entertaining, or background music.
- **VINYLSTREAM™ Bluetooth output** enables wireless streaming to your Bluetooth speakers or headphones.
- **Integrated switchable phono pre-amp** and included RCA cable for connecting to your home stereo system or powered speakers.
- **Audio Technica ATN3600L moving magnet cartridge** delivers exceptional audio quality, enhancing the clarity and richness of your music.
- **Sleek, discreet design** with modern aesthetic for placement anywhere in your home and a removable dust cover to protect your turntable and vinyl.
